

Meet the DFS AX12 Enhanced™: The Multi-media Powerhouse Designed for the Mainstream

Building on the legacy of delivering rich promotional media through an intuitive user interface, the AX12 Enhanced™ brings you the multi-media features of the 27" DFS Anthem UX®, in a smaller package.

Multi-media Features to drive revenue

- Engage your customers with a brilliant **12" color touchscreen and multi-media speakers**
- With DX Promote®, **day-part your playlists** by time of day to increase conversion
- Offer **Kitchen Ordering** with open-source 3rd party application hosting
- Engage your consumer with live and local **traffic and weather**

Increased Security and Convenience

- Stay EMV compliant with **Wayne iXPay® 2 Payment Platform** and enhanced security included
- Reduce maintenance costs, and save time with **Digital Receipts**
