

Engaging, Modern, Dependable

Delivering a secure and entertaining fueling experience

The Wayne Ovation® fuel dispenser with AX12™ technology and lifetime software updates, will grow with your business while protecting your investment for years to come.

AX12™ technology includes:

- 12" touchscreen display
- Wayne iX Pay® 2 Payment Platform
- Optional No-Cost Media with DX Promote® Auto

The optional **DX Promote® Auto** managed media solution allows you to deliver curated media and content with minimal effort - freeing you to focus on other aspects of the business.

The Ovation® fuel dispenser continues to be the leading dispenser you can trust to keep your site efficient, compliant and secure well into the future.

Ovation® fuel dispensers deliver:

- E40/B20 UL-listing
- Industry-leading Wayne iMeter™ fuel meter and Wayne Xflo® fuel meter
- One-step calibration
- World-class security options: Smart Access, Secure Electronic Lock
